**RE: Bill Clark Homes Ranked One of the Top 100 Builders in the Nation for 2005.**

(Greenville, N.C.) Bill Clark Homes, established in Greenville, NC in 1977, is proud to announce that BUILDER Magazine has ranked the company as one of the Top 100 Builders in the nation for 2005. In addition, the company was honored with the “Fastest Growth” award among all privately held builders in the nation. Bill Clark, a Greenville native, has also been the recipient of other prestigious community awards including “Volunteer of the Year” and “Citizen of the Year.”

In 2005, Bill Clark Homes increased its revenues by more than 50 percent for the second consecutive year with a total of 882 closings. Of that total, 664 closings were detached homes and 218 were attached homes. Bill Clark Homes’ success has proven them to be one of the nation’s leading homebuilders.

**Bill Clark**

Clark’s involvement in organizations such as the Greenville-Pitt County Home Builders Association, the National Association of Home Builders and the North Carolina Advisory Council for Housing has helped not only shape the growth of the Greenville area, but all of the areas where the company builds. In less than 30 years, Bill Clark Homes has grown from a one-man operation in Greenville to building communities throughout the Carolinas in Fayetteville, Greenville, Havelock, Jacksonville, New Bern, Raleigh, Southport and Wilmington, NC, as well as Myrtle Beach, SC.

As many great things are built on tradition, the stellar traditions at Bill Clark Homes are reasons why thousands of folks live in a Bill Clark Home.
